

Important Information about COVID-19

Firstly, we hope you and your families are keeping well. We appreciate you will have received several communications regarding Covid-19 and the impact this has had on businesses. However, we briefly wanted to confirm that with immediate effect all members of the Henson Crisp team will be working remotely. We believe this is the best course of action to keep all of our staff and clients as safe as possible, whilst continuing to provide you with our service.

To reiterate on our previous update, as face-to-face meetings are not suitable at present, we will be offering telephone/Skype reviews as an alternative if your annual review is scheduled in March or April, until further notice.

Our aim is to continue with a 'business as usual' approach. Although our phone lines will remain open we may be required to phone you back to answer any specific queries whilst we as a team communicate via remote channels rather than face-to-face. We hope you will bear with us and that you will be reassured of our commitment to you.

Please feel free to contact any members of our team, if you have a specific point of contact, via email or if you would rather email enquiries@hensoncrisp.com all of our team have access to this mailbox.
